

2020-21 Volunteer Policy - Canmore Nordic Ski Club (CNSC)

The operation of the CNSC and the programs and services we provide depend upon the volunteer efforts of our members. With the exception of a select group of paid coaches, the CNSC is run entirely by the efforts of our tireless volunteers. Volunteering for our club is a great way to learn new skills, meet new people and have lots of fun!

You can help the club by volunteering in different ways:

1. At CNSC sporting events and fundraising initiatives (see list below) that provide **direct** financial support to the club in order to keep program, camp and race travel fees as low as possible
2. As a program coordinator
3. As a full time volunteer coach/assistant coach
4. As a board member
5. At select CNSC camps as defined in this document. These events will be updated on an annual basis at the discretion of the CNSC board.

The CNSC has a minimum volunteer requirement for families and individuals involved in many of our programs (see specifics below *****). It's based on a time commitment and is administered by means of a volunteer bond. The volunteer bond is to encourage those involved in programs with paid coaches to volunteer for club events and positions that provide financial support to the club and thereby keep program, camp and race travel fees as low as possible. Those who cannot contribute time will have to pay the bond in lieu of volunteer work at the end of the season in April.

IMPORTANT NOTE: Occasional volunteering within your child's program such as taking kids on a warm-up ski before a race is a great support to your child's skiing experience and is hugely appreciated by Program Coordinators and Coaches. While this is a valued form of assistance, it IS NOT considered part of our club's official Volunteer Commitment and as such, cannot be used to pay off the volunteer bond.

Volunteer Commitment

The following is the list of programs involved, volunteer time commitment and volunteer bond required:

Program	Volunteer Days Required per Program Participant	Volunteer Bond
Intro to Track Attack / Track Attack	2 days	\$300
Cross-country T1, T2, LC (Multi, Primo, Supremo)	4 days	\$600
Biathlon T1, T2, LC (Multi, Primo, Supremo)	4 days	\$600

The maximum number of volunteer days for families with more than 1 child is set at 8 days.

Tracking Volunteer Time

NEW FOR 2020-21: It is each member's responsibility to report their time and ensure they fulfill their volunteer requirement. A volunteer tracking spreadsheet will be used for this purpose, the link will be shared with members requiring to fulfill volunteer time.

How to Earn Volunteer Time
