

Canmore Nordic Ski Club

Volunteer Policy

Purpose

The operation of the Canmore Nordic Ski Club (CNSC) and the programs and services provided depend upon the volunteer efforts of our members. With the exception of a select group of paid coaches, the CNSC is run entirely by the efforts of our tireless volunteers. Volunteering for our club is a great way to learn new skills, meet new people and have lots of fun!

The CNSC has a minimum volunteer requirement for families and individuals involved in many of our programs. It's based on a time commitment and is administered by means of a volunteer bond. The volunteer bond is to encourage those involved in programs with paid coaches to volunteer for club events and positions that provide financial support to the club and thereby keep program, camp and race travel fees as low as possible. Those who cannot contribute time will have to pay the bond in lieu of volunteer work at the end of the season in April.

Volunteer Commitment

Program	Volunteer Hours Required per Program Participant	Volunteer Bond
Intro to Track Attack	12 hours	\$300
Track Attack	12 hours	\$300
U14/U16/U18	24 hours	\$600

Maximum number of volunteer hours for families with more than one child in CNSC programs is 48 hours.

Volunteer Bond Cheques

At the time of program registration, it is mandatory to provide two volunteer bond cheques, dated April 1st of the following year and payable to the Canmore Nordic Ski Club. Each cheque will be for 50% of the Volunteer Bond amount owed (see above for the total volunteer bond value).

As you begin to fulfill volunteer hours, these should be submitted to the Volunteer Coordinator within a week of the event for accurate and timely tracking of hours. On April 1 of the following year, cheques will be cashed for volunteer hours not completed as per the following schedule:

Volunteer Hours	Volunteer Bond
0% - 49% of requirement	Two cheques cashed
50% - 99% of requirement	One cheque cashed
100% of requirement	No cheques cashed

CNSC understands that extenuating circumstances, such as illness or other reasons, may prevent the fulfillment of the required volunteer hours. Such cases should be brought to the CNSC Board of Directors for further discussion.
